

Customized Computer Training

COMPUTER CLASSES

Let the BCAE customize a private computer class for your company!

Our instructors will design a curriculum to meet the needs of your company, providing substantial cost savings and increased ROI to your bottom line.

(BCAE private computer classes available at the BCAE or on-site at your office)

BCAE's Computer Lab

The BCAE offers private computer class options including but not limited to:

- Excel
- Word
- Adobe Creative Suite
- Project Management
- Database Management
- ...or a customized syllabus!

Computer class with student laptops in one of our meeting rooms

The BCAE facilities feature:

- 15-seat Computer Lab
- A customizable syllabus taught by a BCAE instructor
- Large meeting spaces to accommodate up to 30 students *(with students bringing their own laptops)*
- Enhanced high-speed Wi-Fi connections throughout the building
- Flexible pricing
- Flexible minimum class size requirements.

Contact **Sabrina Rossi** at **617-649-1334** or **srossi@bcae.org**
for questions about pricing and scheduling a private computer class here at the BCAE!
